THEY...

WHAT SHOULD I ASK
CANDIDATES ABOUT
REPRODUCTIVE
RIGHTS?

Support guaranteeing Mainers' rights to access a full range of reproductive health care services, including abortion?

Oppose proposals that would disqualify abortion providers from receiving public funds to provide health services?

Support MaineCare coverage for the cost of abortion care for eligible recipients?

Support removal of unnecessary restrictions to abortion access, such as Maine's "physician-only" law?

Support comprehensive sexual health education in public schools?

Support a minor's confidential access to reproductive health services, including abortion?

Oppose legislation that creates separate legal rights for fetuses distinct from those of a pregnant individual (so-called "fetal personhood" bills)?

Support efforts to improve access to gender-affirming health care services for transgender Mainers?
