

Maine Family Planning

Section 504 Notice of Program Accessibility

The regulation implementing Section 504 requires that an agency/facility "*...adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by disabled persons.*" (45 C.F.R. §84.22(f))

Maine Family Planning and all of its programs and activities are accessible to and useable by patients who are deaf, hard of hearing, or blind, or who have other sensory impairments. Access features include:

- Convenient off-street parking.
- Curb cuts and ramps between parking areas and buildings.
- Level access into first floor level.
- Fully accessible offices, meeting rooms, bathrooms, public waiting areas, patient treatment areas, including examining rooms.
- A full range of assistive and communication aids provided to persons who are deaf, hard of hearing, or blind, or with other sensory impairments. There is no additional charge for such aids. Some of these aids include:
 - Qualified sign language interpreters for persons who are deaf or hard of hearing.
 - Maine State Relay System for TTY/TDD by dialing 711.
 - Readers for the blind.

If you require any of the aids listed above, please let clinical staff know.
